### Manufacturer Information

Great Lakes Insurance SE (“Great Lakes”) is a German entity, regulated by the Federal Financial Supervisory Authority of Germany (Bundesanstalt für Finanzdienstleistungsaufsicht or BaFin). Great Lakes is a wholly owned subsidiary of Münchener Rückversicherungs-Gesellschaft (the “Munich Re Group”), conducting agency and coinsurance business and providing covers for complex single risks.

Bell & Clements Ltd (“B&C”) is also part of the Munich Re Group, and a co-manufacturer of this product, utilising Great Lakes’ capacity to connect US wholesale brokers and managing general agents with Excess & Surplus lines capacity.

### Product Information

#### Coverage

The Wind only product is designed to reimburse Insureds for loss or damage to their property arising from a Windstorm and/or Hail event. Coverage can include buildings, other structures, personal property and loss of use either singly or in combination.

#### Duration of Insurance coverage provided

12 months in duration but may be extended up to 18 months if needed.

#### Renewals

Unless mandatory, or specifically authorised, no insurance coverage will automatically or tacitly be renewed.

#### Add on Products

There are no add on products available to purchase separately under this product.

<b>Target Market</b>
<p>The product is suitable for Insureds who require Wind and/or Hail coverage for their property.</p> <p>The product is suitable for Insureds located anywhere in the USA but typically demand comes from coastal areas such as Florida and North Carolina.</p>
<b>Type of customers for whom the product would be unsuitable</b>
<p>This product is not suitable for Insureds requiring wider coverage than Wind and/or Hail.</p>
<b>Any notable exclusions or circumstances where the product will not respond</b>
<p>Products are written on London market forms and ISO forms. All forms/wordings are agreed by Bell &amp; Clements Ltd.</p> <p>Significant exclusions: Earthquake, War/Civil War, Radioactive Contamination, Biological or Chemical Materials.</p>
<b>Distribution Strategy</b>
<p>This product is exclusively distributed to Insureds in the USA requiring the Excess and Surplus Lines market.</p> <p>B&amp;C sub-delegates its authority granted by Great Lakes via binding authorities to authorised US and/or UK coverholders who have been subject to B&amp;C's due diligence process and have been approved by Great Lakes. Risks can also be presented by UK/US authorised and licensed producing brokers directly to B&amp;C.</p> <p>The Coverholders work either with USA wholesale agents who in turn work with local/retail agents or directly with local/retail agents to provide the product to USA-situs Insureds who cannot obtain insurance in the admitted market and therefore must look to the non-admitted (Excess and Surplus Lines) market for coverage.</p> <p>When the product is distributed via Binding Authorities, insurance coverage may be written on either a Prior Submit or Full Authority basis, depending on the individual contracts in place</p>
<b>Product value</b>
<p>B&amp;C monitor and assess the market to ensure the product and pricing remain competitive and offer customers value. This includes reviewing commission payments and distribution methods to ensure they are appropriate.</p>
<b>Other information which may be relevant to distributors</b>
<p><b>Claims</b> Claims are to be referred to the persons named in the binding authority agreement.</p> <p><b>Complaints</b> Complaints are to be notified to <a href="mailto:Complaints@bellandclements.co.uk">Complaints@bellandclements.co.uk</a></p>

**Distributor Remuneration**

Commission rates are agreed with each distributor separately. The amount of commission will bear a reasonable relationship to the services and value the distributor provides.

Coverholders are required to clearly state insurance documentation, service, and other fees and charges on customer documentation, and shall not breach any local laws and regulation.

**Retail Premium Finance**

B&C does not offer retail premium finance on this product.
